To Whom It May Concern,

It is with great pleasure that I wholeheartedly recommend Yujeong Cheon. I am Juhyun Yoon, the team leader of the Talent Development team in LG U+'s Consumer company. Over the 11 months I worked with Yujeong, she quickly became an essential part of our team, bringing creativity, dedication, and an unparalleled work ethic to every project.

Yujeong has an extraordinary ability to take abstract ideas and turn them into visually engaging designs. One of our most memorable collaborations was on a leadership workshop presentation for our Vice President, where her insight and skill played a critical role in its success. Even with minimal guidance from me, Yujeong consistently amazed me with her intuition, often delivering exactly what I had in mind on the first try.

What I admire most about Yujeong is not just her technical prowess, but her incredible sense of responsibility and her passion for her work. She always goes the extra mile, not only meeting deadlines but doing so with speed and precision. Her ability to quickly understand client needs and deliver beyond expectations is a testament to her professionalism and talent.

Yujeong has been a true joy to work with, and I have no doubt that she will continue to shine wherever she goes. Any team would be lucky to have her, and I cannot recommend her highly enough. Should you need further details, please feel free to contact me via jh@lguplus.co.kr.

Sincerely,

Juhyun Yoon
